Industrial Kitchen and Laundry Equipment

Introduction

Jordan Catering Supplies, established in 1988, has a leading position in Jordan's industrial kitchen and laundry equipment sector. Our company is specialized in supplying hospitals, hotels and restaurants with kitchen and laundry equipment and items they need.

We produce and supply a complete range of machines and customized stainless steel furniture that is essential for a professional kitchen and laundry, as hundreds of select establishments and projects bear evidence to the excellence in quality provided by us and our true expertise in this domain.

Bespoke Furniture

JOCATERS custom fabrications are designed in every and functional space that is adaptable to any setting, professional is at work.

A complete and versatile range of proposals which includes sink units, accessories, specialized tables, worktop cupboards, shelves, cabinets, wall units and all that can guarantee the best working conditions .
